

Welcome to
Year 5

Welcome to Year 5

Year 5 trip to Hammersmith Bridge

Visiting our local heritage...

...and sketching our famous landmark

Science: May the Force be with you!

What are the forces working against these objects?

How do we measure them?

Science: May the Force be with you!

What are the forces working against these objects?

How do we measure them?

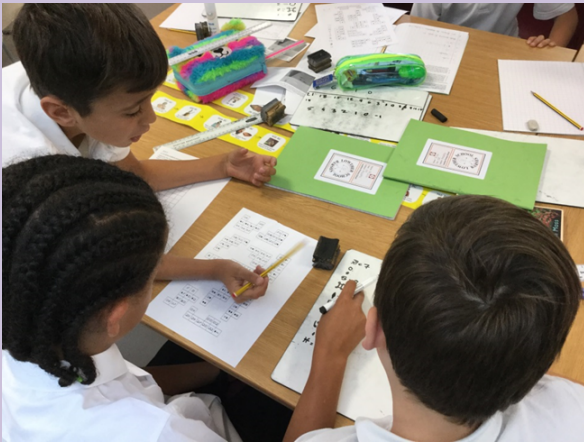

Maths of Fire!

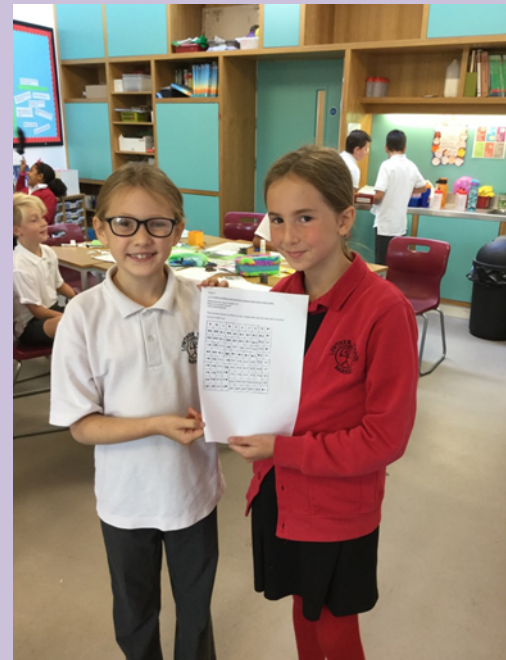

Exploring
factors and
prime
numbers.

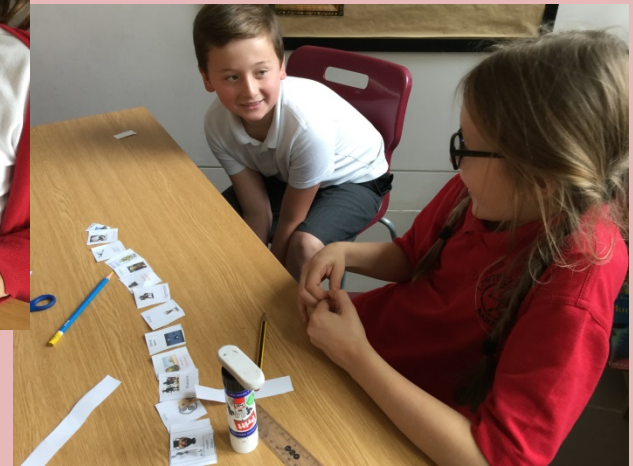

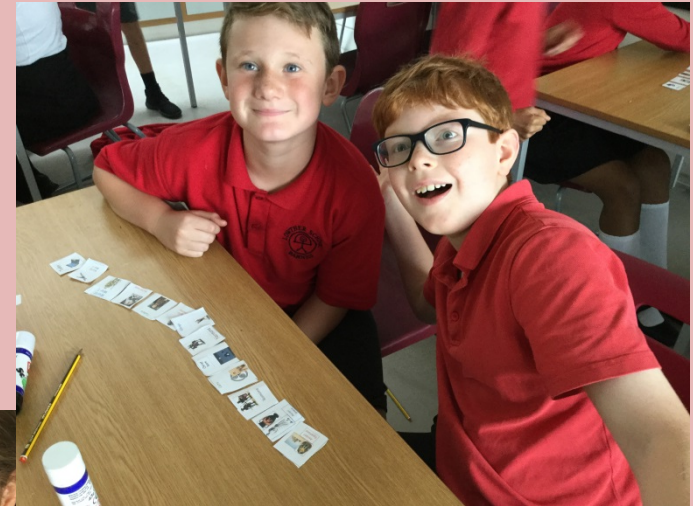

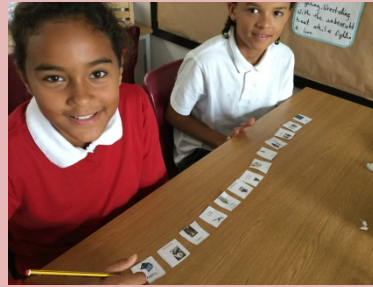

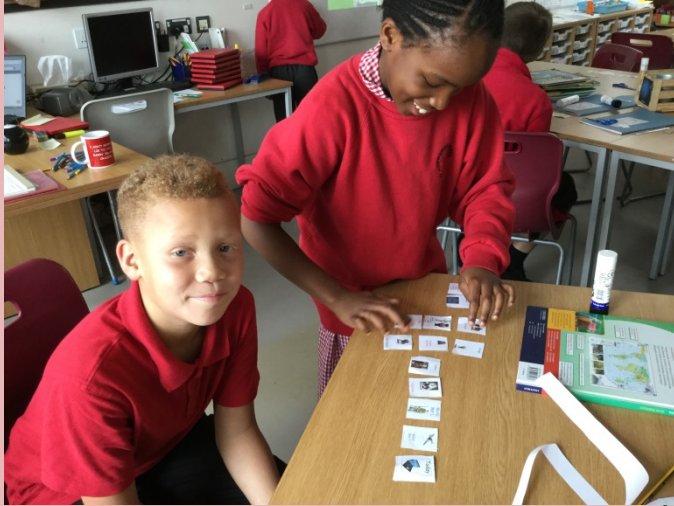

Maths of Fire!

Using our
place value
knowledge so
carry out
some problem
solving

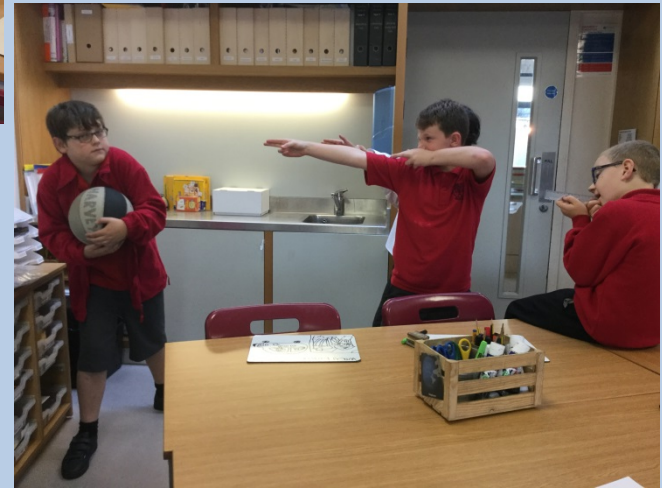

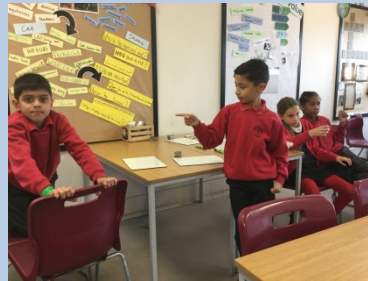

Timelines... History in the making!

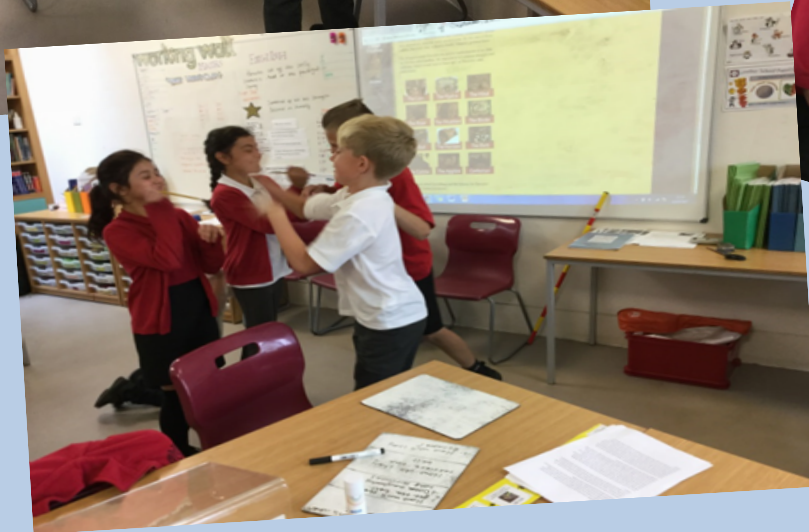

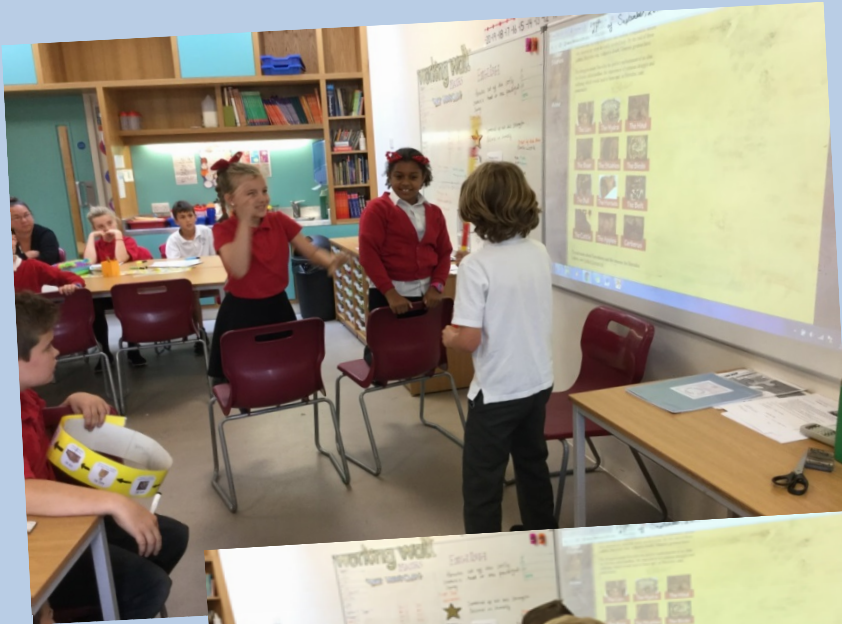

Learning about Ancient Greece

English: acting out our key text 'Way Home'

What are the dangers out there for Shane?

English: acting out the different labours of Hercules.

What obstacles did Hercules overcome?
