## Important Staff news

We are now able to tell you all the exciting news for the next school year. We will have a number of teachers joining the Lowther school family as some of our existing team have exciting plans away from Lowther ahead. Mr. Dodman, Miss Roberts and Miss Sangtabi are all going on world wide adventures. They have decided to have a break from teaching and are going travelling around the world. We wish them all the best on their travels. Miss Rogers will also be leaving the Nursery as she is returning home to Australia. Mr. Agarwal is returning to work in ICT part-time. I'm sure you will join me in wishing them all well on their new ventures. They have all contributed greatly to our school community. We are delighted to welcome our new teachers to the Lowther School family.
