

29th November 2010

Dear Parents/Carers,

There are only 3 weeks left of this term and we have lots of exciting events.

Making day

Please do join us for part of the day this Tuesday (30th November). We will be sending home the children's Making day goodies on Thursday, please send in £2.50 by Wednesday if you would like to purchase them. Any items not bought will be put into the Christmas fair on Friday.

If you could spare any of the following for Making day we would be grateful - Baubles, spare ribbon, greenery and cones.

This week

As well as Making day, we are continuing our Nativity rehearsals. Many, thanks to those who were able to assist with the costumes. In maths we will continue to look at money, and start looking at difference. In English we will be story writing based on "We're going on a Bear Hunt" by Michael Rosen. In History, we will be looking at Victorian games.

All who could attend the Christmas Fair on Friday (3:15 to 5pm) will be most welcome.

Nits

Nits are an unfortunate fact of life. In order to minimise their spread, can we please remind you that all hair below shoulder length should be tied back.

Upcoming dates for your diary

Monday 6th December - Nativity Dress Rehearsal, 1.30pm

Tuesday 7th December - Nativity, 1.30pm

Wednesday 8th December - Nativity, 9.30am

This week's homework:

The main homework for this week will be to rehearse and learn the nativity songs.

English - As well as this weeks words and practicing the high frequency words, please continue to read with your children.

Maths - We will be looking at finding the difference later in the week. When looking at the homework, can we suggest you use blocks, teabags or similar when working out the difference e.g. if finding the difference between 2 and 4 make a block of 2 items and place it next to a block of 4 items and count up/down to find the difference.

Many thanks

Peta Fragaria and Danny Agarwal
