

6th December 2010

Dear Parents/Carers,

This will be the last letter for this year and can we take this opportunity to wish you all a very merry Christmas and a happy New Year.

Making day

Thank you very much to all of you that were able to help on making day, it was a wonderful day that the children really enjoyed.

This week

This week the children will be preparing for and performing the Nativity. We will also be writing Christmas cards and start writing our own version of the Christmas story. We will also be working on various Christmas activities and revisiting some of the key maths objectives covered so far this year. Over the next two weeks we will also be carrying out assessments.

This week's homework:

English

Please continue to hear your child read and work on their high frequency words every day, a little and often is the best policy.

Maths

Please will you work on the targets we set for your child at the parent consultation meetings.

The main homework is to learn the words of our nativity songs (as sent home last week)

Events for the last two weeks
