

Lowther

We love learning at Lowther

Dear Parents, Carers and Friends,

The children have settled back into the Nursery routine really well after their first half term break. They have remembered all of our routine songs. We have moved the coats and bags so that they are now inside out of the cold.

This week we have been learning to do some threading using needles. We made lovely Autumn hangings to decorate the Nursery window. Please ask your child about doing this. We have been talking about animals 'Hibernating' for the Winter. We had fun doing PE.

We have done a 'Cosmic yoga' session watching a Halloween program.

Today (Friday) we will be talking about firework safety.
