

# Lowther

*We love learning at Lowther*

Dear Parents, Carers and Friends,

This week, the children performed to year five and two. The other year groups were blown away by our West End stars! We continued to rehearse our show throughout the week, as we want to shine like diamonds in front of the parents. We also wrote lots of stories this week for Mr Nelson's writing competition. Miss Hobart and Mr Gradidge were very impressed, because we shown lots of creativity in our writing.

In Science, the children were investigating parts of a plant.

Towards the end of term, we will be reviewing and consolidating our learning.

**Maths:** We will be revising, shape, addition and subtraction, number bonds to 10, one more one less, ordering numbers to ten.

**English:** Capital letters, full stops, neat handwriting, spelling and adjectives.

**Phonics:** Sounds from phase 5

Miss Hobart and Mr Gradidge have also prepared lots of challenges for us, so that we can deepen our understanding in these subjects. As well as core learning, we will be participating in lots of Christmas themed activities. Christmas will be the centre of our, R.E, Art, Drama, Music and Italian lessons.
