

Lowther

We love learning at Lowther

Dear Parents, Carers and Friends,

Hello everyone and welcome back!

I hope you had a fantastic half term break– I have thoroughly enjoyed hearing about all your amazing adventures! The children have come back fully refreshed for the exciting half term ahead and have approached our learning this week with their usual enthusiasm. Thank you to those of you have returned the consent forms and deposit for PGL– the excitement builds! Please do let me know if you have any questions about the trip.

Mr Thomas

This week's
home learning

The children have a new homework grid in their homework books which relates to the topics we'll be learning about this half term. There is also some maths work on subtraction, which we have been covering this week. Please also keep up with the fantastic home reading and continue to record in your child's journal.

This week we have been learning...

In **maths**, we have moved onto subtraction with exchanging. In **English**, we have been writing character descriptions as part of our rainforest topic. In **computing**, we completed our learning about online safety. The children thoroughly enjoyed **music** this week– both their first lesson with Mr Gradidge, and their flute session on Wednesday. In **PE**, the children have started tag rugby.

The children loved music with Mr Gradidge this week, which takes place every Wednesday.

Please support your child with learning their target times tables this week.

Clothing

Please make sure your child has a coat in school everyday. PE kit should be brought in on Monday and remain in school. We'll send it home if it gets wet. Now that it's getting colder, children can wear a red school hoodie and black tracksuit trousers for PE. Please ensure that all clothing is clearly named.
