

# Lowther

*We love learning at Lowther*

Dear Parents, Carers and Friends,

Year 5 have had a superb week! They have shown a fantastic engagement and focus throughout! A reminder that coats are a must now, as the weather is getting colder and wetter, so please ensure your children have them in school. A huge well done to everyone who attended the Panathlon, it was amazing! Also, a special well done to all the children who took part on takeover day, it was a really fun, engaging day.

Mr Nelson and Mr Harrison

This weeks home learning:

MyMaths activity and one activity from the grid.

Optional reading task at the back of their reading journals, to be completed in reading journals.

This week we have been learning

**English**– We are now learning about The Magic Box and The Nasty Box, from this the children are creating our own poems.

**Maths**– We are now focusing and studying on calculating perimeter and area in shapes.

**Science**– Studying the different moon phases!

**PE**– Rugby and focusing on our skills in rugby.

**History**—We are learning about the Mayans, who they are and their importance throughout history.

**Computers:** Looking at touch typing!
