

Lowther

We love learning at Lowther

Dear Parents, Carers and Friends,

It's Chriiiiissstmass! Well... it's Christmas at Lowther! Children came in on Wednesday to find that the corridor had been magically decorated, ready to welcome in December and get celebrations started. For Year 2 this has meant some time spent crafting, cooking and creating wonderful items for our Xmas Fair this Friday. These items and food will be for sale so make sure to visit our stall first to avoid disappointment! Finally, just a reminder that the nativity is now just around the corner with the first performance on the **13th December**- so line learning is an absolute priority. This can be completed as your child's daily reading. We have seen the effort they are putting in and it is shaping up to be a fantastic show. Thank you as always for all of your support!

Picture of the Week!

"Miss Newton" with one of her unruly students on Takeover Day.

This week we have been learning...

English - This week we have completed some spelling grammar and reading assessments, alongside rehearsing our Nativity (which encompasses parts of children's speech, language and performance learning)

Maths - In Maths we have been working on addition and subtraction of 2 digit numbers (without exchanging).

Art and DT - We have done a lot of Art and DT this week! First we made snowmen and santa's for our beautiful hallway decorations, alongside decorations for our nativity. Then we designed and decorated our own mini mugs and made rice krispie "ice cubes" to sell at the Xmas Fair!

Music - Alongside their sessions with Mr Gradidge, we have been working on our Nativity numbers! I am sure you will have heard a lot of these hummed at home!

P.E. - Dance - we will be working on building flexibility and fundamental movement skills alongside rehearsing and fine
