

# Lowther

*We love learning at Lowther*

Dear Parents, Carers and Friends,

Hello everyone

It's great to be back in Year 4 full time this week. Many thanks for all your support and kind words. I have enjoyed catching up with the children and continuing our learning this term. I have been impressed with the children's resilience and attitude this week, as we approach the end of a really busy term. I am looking forward to seeing you at my first Lowther Christmas church service next Thursday.

Mr Thomas

This week's  
home learning

Alongside the home learning grid, I have included some multiplication and division to build on our learning in class this week. The children also have this week's spellings stuck in their reading journals, so they can practise these too. Keep up the daily reading and continue to record progress in reading journals.

This week we have been learning...

In maths, we are learning about multiplication and division, looking at the relationship between the operations in particular. It's important the children not only learn their tables, but also use what they do know to help them answer more tricky questions. In English, we are researching palm oil production and its impact on the environment, ahead of writing a discussion piece next week.

The children loved art with Miss Lucy and Miss Louise. They produced some lovely art based on the work of Kandinsky.

Diary dates

- ⇒ Friday 9th December– Christmas jumper day.
- ⇒ Thursday 15th December– Christmas church service at Holy Trinity Church.
- ⇒ Friday 16th December– last day of term.
- ⇒ Tuesday 3rd January– first day of the spring term.

Clothing

It's freezing! Please ensure your child has a named coat in school everyday, along with hats and gloves in this very cold weather. A reminder they can wear black joggers and a red hoodie for PE.
