Dear Parents, Carers and Friends,

Welcome to edition 6 of the whole school newsletter, this will be the final edition of the half term. We hope you've enjoyed reading them and catching up on the latest Lowther news.

We have a jam packed last couple of weeks of school left and I'm sure the children are going to really enjoy them.

Assembly themes this week

Conflict

Mr Ripley led the sixth Monday morning assembly of the term focusing on conflict and how we deal with it. We also talked about conflict around the world and how leaders try to resolve conflict.

Black History Month

Classes across the school have looked at different aspects of Black history during October, including important political leaders, innovators and inspirational role models.

In assembly this week we're going to listen to some of the incredible black musicians that were trailblazers and influenced so much of today's music.

Photograph of the week

We love this photograph put together by Miss Van Gelder and the Y4 pupils. What a great way to mark World Mental Health day. Awesome work Year 4!

Trips, visits and opportunities at Lowther

In the last two weeks along we have trips to Stonehenge, football and rugby tournaments for different age groups, scooter training, safe walking harvest assembly and so much more. We really want to give your children the very best experiences and opportunities during their time at Lowther. We truly believe in education in the broadest sense.

Here's to more exciting opportunities ahead.
