

## We love learning at Lowther

Dear Parents, Carers and Friends,

Thank you all for your fantastic support of the Christmas fair. Special thanks to our incredible PTA who once more put on a super event. The children looked like they were having a great time.

We wanted to draw your attention to the Primary Maths Challenge. This is a national competition and offers a fantastic challenge for pupils. We had over 20 pupils from Y4,5 and 6 take on the challenge and performed very well indeed! We thought you may like to see an example question the children were faced with! Some seriously good maths needed to solve this!

*There are 40 tourists at Salvo's Café. They all order either a hot chocolate or a panini or both. Salvo takes 27 orders for a hot chocolate and 30 orders for a panini. How many tourists ordered a panini but not a hot chocolate?*

Send your answers in to us!

We're looking forward to enjoying the build up to Christmas with the children and you all in the coming weeks. It's going to be great!

Mark and Alastair

### Assembly themes this week

#### Confidence

Mr Ripley looked at one of our core values on Monday—being confident. We explored times when we feel confident and times when perhaps we don't. We love developing children's confidence at Lowther.

#### Friendship

On Wednesday we had another look at friendship and why it's such an important part of growing up and life. We played some games to learn interesting things about our friends.

### Photograph of the week

#### The Choir!

Here is our fantastic choir in action. They sang beautifully to open the Christmas Fair

### Sports news

Our sports teams have had another busy week with our cross country team the stand out performers. They came an incredible 5th out of 42 primary schools in the Borough—there were over a hundred runners in both the boys and girls races. Special mention to Aydin Y5 who came 8th in the boys and Eloise in Y5 who came 7th in the girls—stunning! The daily mile and our strong PE lessons certainly helped develop their fitness.

Y56 boys footballers also performed very well and reached the quarter finals of the Borough Competition before unluckily getting edged out. Great work Team Lowther!

### Don't forget!

⇒ Don't forget we break up for Christmas on Thursday 19th December and then return to school after the Christmas holidays on Monday 6th January 2025 (there is no inset day)

**E-SAFETY  
WORKSHOP  
FOR PARENTS**

12th Dec 2024 6-7pm

**Online course for parents about gaming, apps and online safety.**
