

Helping in KS1

We enjoy the partnership we share in your child’s education and value the contribution you make at home. However, if you would like to come in to help on an occasional or regular basis it would be greatly appreciated. If you would like to help out then please fill in the form below and indicate your availability.

If you have special skills, for example, arts or crafts, or you play an instrument or you have an unusual hobby or pastime, and think the children would be interested in sharing it, please complete the slip below. For example, Jenny, our volunteer reader, shares her experiences of being a war evacuee with the class every year around Remembrance Sunday, tying in with our history topic.

We welcome your involvement in the classroom but we would ask you to abide by our code of conduct for parent helpers:

- If there is a problem with behaviour please speak to the class teacher.
- Please do not speak to another parent about their child’s behaviour or progress, in or out of school.
- Please do not give the children sweets as a reward unless you have discussed it with the class teacher.
- Positive comments may be written in the child’s reading record if you are listening to children read.

Thank you for your cooperation.
